Accreditation to visit in NSW Public Hospitals

Successful completion of the Introductory Pastoral Care Course fulfils the pastoral training requirement for accreditation as a Volunteer Hospital Chaplain in NSW Public Hospitals, however...

To be accredited, you will also require:

1. Written endorsement by the Minister/Pastor/Priest of your church.
2. A successful interview with the Chaplaincy Department.
3. Successful clearance of Criminal Record and WW Children Checks.
4. Completion of hospital orientation and vaccination programs.
5. Successful completion of a three month probationary period.
